

CT PATIENT PREPARATION

CT Scan of the Abdomen and Pelvis: (2 bottles of Bar-o-cat)

Drink 1 bottle 10:00 PM the evening before your exam. Nothing to eat or drink after 10:00 PM.

Remember: *nothing to eat or drink the morning of exam.*

Drink 2nd bottle 1 to 1 ½ hours before scheduled appointment time.

Refrigerate barium - *it tastes much better cold.*

If you have any questions please call (732) 974-8060.

Thank You.
